Kingdom Tide (A Discipleship Bands Study)

Many of us feeling this stirring. A desire to see the Holy Spirit unleash a river of awakening, flowing through the streets of our cities and neighborhoods. We are waiting for the great wave. But perhaps we lack the faith to dream smaller. As we sow for, pray for, and long for awakening, we are not watching for one grand moment. Instead, we band together in groups of three to five disciples

with the long view in mind. We surrender to Jesus as he transforms us from dissatisfied to devoted. We build micro-communities of holy love, drawn into the depths by the Holy Spirit. As we go deeper, the ripples of hope go wider, crossing over each other to become a rising kingdom tide. Perhaps this is what awakening will look like.
